

# VICTORY HEIGHTS PLAYGROUND PLAY AREA RENOVATIONS

Seattle Parks and Recreation is renovating the Victory Heights Playground Play Area. Thank you to the preschool and Victory Heights Community Council (VHCC) for their partnership and everyone who participated in the first meeting in December.

Please join Seattle Parks and Recreation's in-house landscape architect and project manager at the Victory Heights Cooperative Preschool to review the schematic design for this project and provide input on play equipment.

We will have an open house to show design options and gather your input from 6-7 p.m. with a formal presentation at the VHCC meeting, 7-8 p.m.

This project will replace play equipment, provide access improvements and improve other features at the park. The scope of these projects provides improvements to bring the play area into compliance with current play area safety standards and Americans with Disabilities Act (ADA) access. Victory Heights Playground is located at 1737 NE 106th St.
